

EDUCATION

Carnegie Mellon University, **School of Design**

Pittsburgh, PA, Expected May 2028

Bachelor of Design in Communication Design

Additional Major in Human Computer Interaction

Awards & Honors

1st Place, CMU User Experience Association Hackathon, 2025

Most Ready to Launch Award, CMU User Experience Association Hackathon, 2026

EXPERIENCE

Interaction Designer & Design Engineer, **Feather Computer**

Remote Contractor; Jun 2026 - Present

Redesigned core surfaces — brief, nav, inbox, composer — for an AI email client with 1,000+ users, working in Figma and the production React/TypeScript codebase via parallel PRs with coding agents. Redesigned onboarding around a collectible identity card with GLSL/Three.js personalization.

Product Design Intern, **Kensho Technologies (S&P Global)**

New York, NY; May 2026 - Aug 2026

Designed and shipped 3 citation & evidence-selection systems for an AI financial research product; built custom Claude Code skills, hooks, and workflows adopted across a 6-person design team.

Product Design Intern, **Cocreate**

Remote; Dec 2025 - May 2026

Sole designer on New Craft Society, a 0 to 1 designer community platform. Drove positioning from research through production. Built the landing page, design system, and interfaces in Figma, Illustrator, Claude Code & After Effects; now in beta with 100+ onboarded users.

Independent Freelance

Remote; Mar 2024 - Present

Branding & web design for clients including Root Foundation, CMU Center for the Arts in Society, OpenWhispr (a16z Speedrun), and HFO demo day posters.

ETC.

Creative Director, **Lunar Gala**

Pittsburgh, PA; May 2026 - Present

Recruited, managed, and co-led a team of 60+ designers across print, web, motion, photography, and set design. Developed a cohesive visual identity and strategy for Pittsburgh’s largest annual fashion show with 1,500+ attendees.
